Procedures and Findings

We have performed the procedures described below, which were agreed upon with the Company, on the use of proceeds from the Offering.

The results of agreed-upon procedures performed are summarized as follows:

1. We have obtained and checked the mathematical accuracy of the Company's Final Quarterly Progress Report as of and for the period ended December 31, 2024. No exceptions noted.
2. We have compared the list of all the disbursement in the Progress Report with the schedule of planned use of proceeds from the Offering as indicated in the Final Offer Supplement dated September 3, 2024 ("Offer Supplement") and agreed amounts to the related supporting documents such as billing or service invoices, official receipts, acknowledgment receipts, payment slip and bank statement. No exceptions noted.

As presented by the Company and based on the above procedures, the table below lists the details and amount of disbursements of the proceeds of the Offering for the period ended December 31, 2024:

Purpose	Disbursements		Difference	Remarks
	Allocations per Offer Supplement	Amounts per Progress Report

- a. Refers to additional fees, commissions and expenses related to the oversubscription amounting to P3,830,000,000 from the P13,000,000,000 base offer as indicated in the Offer Supplement.
- b. Refers to the disbursed amount of P9,530,000 for the period ended December 31, 2024 in relation with additional fees, commissions and expenses (Note a) and noted difference between the expected gross proceeds per Offer Supplement (P17 billion) and actual gross proceeds received (P16.83 billion) amounting to P170,000,000. The full amount of the Oversubscription Option of P4 billion was not reached. As stated in the Offer Supplement, in the event of a partial exercise of the Oversubscription Option, the Company intends to prioritize the allocation of proceeds to the refinancing of existing indebtedness over the purchase of crude oil.

The table below shows the amount of disbursement per Progress Report and the actual disbursements showing the balance of proceeds as of and for the period ended December 31, 2024:
